Committee Bylaws

(1) This committee recommends policies regarding the administration of student awards and financial aids, including loans and scholarships, consistent with specifications of the respective donors and grantors. It shall be the duty of the committee to consider and rule on appeals that may be submitted by students regarding awards and financial aids.

(2) The committee consists of three (3) faculty members elected from and by the Faculty Senate, two (2) faculty members elected from and by the General Faculty, two (2) undergraduates selected by the Student Council, one (1) graduate student selected by the Council of Graduate Students, the Provost, the Director of Student Financial Aid, and such other appointees as the Chancellor names. Each member has voice and vote when considering new or revised policy. When considering student appeals, only the elected faculty members, the Provost and the Director of Student Financial Aid have voice and vote. At the request of the appealing student, the undergraduate members--for an undergraduate--or graduate student member--for graduate students--may participate with voice and vote. Faculty members are elected for (2-year) terms; students are selected annually.
