Peacher, Jerry	Physics	Hale, Barbara	2018
Stone, Nancy	Psychological Science	Henslee, Amber	2018

Committee Bylaws

(1) This committee is concerned with the tenure rights of faculty. It functions according to the principles stated in the Academic Tenure Regulations adopted by the University of Missouri Board of Curators. It may also make recommendations for policy changes through the Faculty Senate to the Board of Curators. It serves as the hearing committee for cases of research dishonesty.

(2) This committee consists of one (1) faculty member from each academic department whose faculty is eligible for tenure. The faculty of each academic department shall, during the second semester of each academic year, elect one of its eligible faculty members to membership on the committee to serve for the following academic year, and also elect an alternate faculty member who shall serve whenever the regular committee member is unable to serve.

(3) Faculty members shall be elected from the eligible Professors on continuous appointment. If there are no eligible Professors within a department, then faculty members shall be elected from the eligible Associate Professors. Vice Provosts, department chair, and other persons who devote 50% or more of their time to administrative duties shall not be eligible for membership on the committee.

(4) During the second semester of each academic year, the committee shall place the names of three (3) of its faculty members in nomination before the General Faculty for election to two-year (2-year) terms on the University-Wide Tenure Committee. In the general election, each General Faculty member shall vote for two (2) of the nominees. The nominee receiving the largest number of votes shall fill the position of member of the committee. The nominee receiving the next largest number of votes shall serve as the alternate member.
