Committee Bylaws

(1) This committee is concerned with the academic freedom of faculty and promoting academic excellence. It recommends and reviews policies concerning requirements for admission, graduation and academic standards.

(2) Each Department may nominate one faculty member for service on the Academic Freedom and Standards Committee. The Faculty Senate will select from the nominees eight (8) faculty members to serve on the committee. Faculty members serve a two-year (2-year) term with approximately one half elected each year.
