Committee Bylaws

(1) This committee recommends to the Faculty Senate general policies on the conditions of appointment, employment, compensation, and retirement of faculty and administrative officers. Also, it recommends reporting schemes and procedures regarding the annual salary and wage raise pool.

(2) Each Department may nominate one faculty member for service on the Personnel Committee. The committee consists of two faculty members elected from and by the Faculty Senate, four (4) elected by the Faculty Senate from the list of department nominees, one (1) faculty member elected from and by the Graduate Faculty, one (1) faculty member selected by the Staff Council, and one (1) administrative member appointed by the Chancellor. Elected members serve a (2-year) term with approximately one half elected each year.
