Grievances shall be addressed by a standing GRP consisting of a senior administrator and two or four tenured faculty members:

(1) Two models for the GRP are possible and the model employed by each campus, as well as the number of GRP members, will be determined by the Chancellor in consultation with Faculty Council/Senate.

(a) Model A: Two or four GRP faculty members (plus 2 alternate faculty members) will be chosen by the Faculty Council (FC) or Faculty Senate (FS) after consultation with the Chancellor or Chancellor's designee (hereafter "Chancellor"), via an application process designed by the FC or FS.

(b) Model B: The GRP will consist of two panels, each with two or four tenured faculty members and two alternate faculty members. Faculty will be chosen by FC/FS as described in Model A above.

(2) Faculty members may be granted release time to compensate for the effort devoted to the GRP. The amount of release time will be negotiated between the Chancellor and the faculty member's dean/department chair.

(3) The senior administrator member of the GRP under either Model A or B will be appointed by the Chancellor after consultation with the FC or FS.

GRP members will serve up to three-year renewable terms pending FC or FS and Chancellor approval. In the interest of continuity
