I verify that all responses to the above questions and information provided in the attachments are accurate. I agree to allow the Commencement Speaker Committee to review all information and make their selection based on the responses in this survey and live audition process. I understand that submission of this form does not guarantee selection to participate in the audition process and if I am selected, I must complete all requirements to be considered as a finalist. I agree to audition with the speech I intend to give at the commencement ceremony and will not deviate from the agreed upon final script as approved by the selection committee. I understand that I must maintain good standing throughout the semester, and that conduct violations, poor academic performance, or change of graduation date may be cause for disqualification. I agree to notify the Commencement Speaker Committee immediately if there is any reason I question if I will actually meet graduation requirements this semester.

I agree to the terms above:
